*An Irish Blessing  
May the road rise to meet you,  
May the wind be always at your back,  
may the sunshine warm your face, the rain fall  
soft upon your fields,  
And until we meet again, may God hold you in  
the palm of His hand.  
Amen*

As a sophomore in college Mollie discovered a mole on her thigh. In the following six months, she underwent surgery, chemotherapy and radiation. The Mollie Biggane Melanoma Foundation was created in her memory after her tragic death at the age of twenty.

Our mission is to increase awareness for melanoma prevention, provide information and services on skin cancer detection, and support melanoma patients through education of the latest treatments. Please visit our website at [molliesfund.org](http://molliesfund.org).

My cousin Dennis Corkery just lost the same battle at the age of 58. You may recall Dennis as the leader of The Legendary Hooligans Band, who for years played at the St. Patrick's Day Festival at The Stil.

The Corkery Family has decided in Memory of Dennis, to lend their support to Mollie's Fund. Mollie's Fund has been in existence for over 10 years. I know Jack and Margaret Biggane personally...they are a wonderful family.

Donations can be made online at the website or by check to:
